Malcolm Webb, head of technical and regulatory compliance, e.surv Chartered Surveyors

Malcolm Webb, MRICS is head of technical and regulatory compliance for e.surv Chartered Surveyors. Before joining e.surv, Malcolm was a survey operations manager for Ekins (The Woolwich/Barclays Group) with a focus on quality and professional development. He has previously worked in project management and property maintenance in a social housing environment, but since 1999 the focus has been on residential survey and valuation work.

Malcolm also provides input to asset skills at the Property sector board and the Employer forum.

Malcolm contributes the section on Residential owner-occupier transactions in Valuation.

e.surv Chartered Surveyors

e.surv Chartered Surveyors is the country's largest provider of residential valuation services, completing approximately one valuation every four minutes. e.surv is part of the LSL Property Services PLC Group of companies, which includes household names YOUR MOVE and Reeds Rains, as well as the mortgage broker network First Complete. They work with lenders, intermediaries, social housing entities and estate agents in addition to private customers. In 2010, e.surv was voted the Valuer/Surveyor of the Year at the Mortgage Strategy Awards.
